Dear Vicky,

Congratulation to you and the MARVDC Chapter;s project of YADP. It is most timely and relevant. It is something that will surely benefit our young graduates who go out there to explore their potentials in a foreign country. It is going to be a great help albeit a great morale booster for them as they start off in a new environment.

I personally commend the MARVC chapter for initiating this project. I wish the other chapters will follow so that our graduates, wherever they may be in the US will be close to alumni in their area from whom they can draw support and advice.

Keep up the good work and more power to you.

Dr. Divine
